Call to order at 7:01 PM

In attendance: Tom, Nancy, Chris, Denise, Bill, Rick

Audience of Citizens: John King and Christine Nelson

Chris read the minutes from November they were accepted by all members.

Old Business

Benthic Barriers: Town permit was approved for a 5 year period. General discussion regarding where to place them this year.

Cedar Lake Plant Survey results from Greg Bugby is online.

Lake Ordinance: Needs to be rewritten.

Management Plan: Still in the works.

Citizens:

Christine: asked if we had any concerns regarding trimming along the cemetery for cedar lake.

John: opposed to closing the boat launch because he likes to launch his boat and fish. He suggested we should look into gutters going into lake and septic tank pumps/inspections.
