July 31 2023  
Pelletier Park (Main beach at Cedar Lake)

Audience of Citizens

Lori Cobb and Glenn Seaburg

Call to Order 7:04 PM

Present: Denni, Nancy, Rick, Chris

Several CLWC members need to be sworn in pending BOS approval.

Chris action Item: to find old meeting minutes from 2021 and 2022

Old Business

Benthic Barrier Report: Not very good results with lily pads but good results with milfoil. Currently mats off the towns side beach on Cedar Lake Road. Plan to use the mats on the side beach again next year.

Sustainable Chester: Sent our benthic barrier project information to Lisa Whale to help with points toward Silver status.

Upgrading watershed management plan in progress.

Guest speaker postponed.

Invasive aquatic species program: Discussion.

Requested from DEEP permission to place additional sign and paint an area at the boat launch for a self inspection area. If not on state property sign placed on town property.

Future mailing for hydrilla and water chestnut. "Keep it out of Cedar Lake".

Next meeting November 27, 2023

Adjourn at 7:47PM

No motions.
